USE OUR PLATFORM & AUDITORIUM TO DAZZLE YOUR DELEGATES

This package gives you exclusive use of Platform & Auditorium 7.00pm until Midnight. Our 354-seat auditorium features a large stage underneath the 16m x 10m giant screen, giving you the perfect platform to say a few words before you start the film.

You can also speak to our team about putting content on the screen before the film (whether that's a thank you message or your own mock trailers!) to make the experience that little bit extra special.
